

PRAY FOR CHINA DAY

SUNDAY

29th January

The Reformation Translation Fellowship welcomes you and your congregation to join in a concerted effort to pray for God's blessing upon the Church in China. We rejoice that many people are hearing the good news of salvation in Christ Jesus. Yet we continue to pray...

PRAY that the emerging Church in China will be solidly grounded upon the Scriptures and sound doctrine.

PRAY that ministers and elders would be grounded in the historic Christian faith so that they might train the flock under their care.

PRAY that persecuted Christians and their families would be enabled to stand firm in the faith and speak the gospel boldly.

PRAY for those who will be translating, editing, printing and distributing Reformed literature for distribution in China.
